

The diagram shows a network of nodes and edges. The nodes are colored in a gradient from dark purple to yellow. The edges are thin lines connecting the nodes. The network is structured as follows:

- A cluster of nodes on the left, connected to a cluster of nodes in the middle.
- A cluster of nodes in the middle, connected to a cluster of nodes on the right.
- A cluster of nodes on the right, connected to a cluster of nodes on the far right.
