

```
public static int compute(int value) {  
    if (value == 1) {  
        return 1;  
    }  
  
    return compute(value - 1) * value;  
}
```

A decorative graphic consisting of several colored circles (purple, orange, yellow, grey, red) connected by thin lines, positioned in the lower right area of the code block.
