

1.9 + 1.585 = ?

The image shows a sequence of numbers: 1.9, 1.585, 8.5, and 2. Each number is preceded by a colored dot. The dots are purple, pink, orange, and yellow respectively. Lines connect the dots in a sequence: a purple line from the first dot to the second, a pink line from the second to the third, and an orange line from the third to the fourth. The numbers are written in a large, bold, black font. The expression is followed by an equals sign and a question mark.
