

8 + 5 + 2 + 7 + 3 + 8 + 3 = ?

The diagram illustrates a sequence of numbers: 8, 5, 2, 7, 3, 8, 3. Each number is associated with a colored dot: 8 is purple, 5 is dark purple, 2 is red, 7 is pink, 3 is yellow, 8 is orange, and 3 is brown. Lines connect the dots in a sequence: a purple line from 8 to 5, a dark purple line from 5 to 2, a red line from 2 to 7, a pink line from 7 to 3, a yellow line from 3 to 8, an orange line from 8 to 3, and a brown line from 3 to the next 8. The sequence ends with a question mark.
