

```
public static int compute(int number) {  
    if (number <= 2) {  
        return 0;  
    }  
    return compute(number - 1) * compute(number - 2);  
}
```

A decorative graphic consisting of several colored dots (purple, orange, yellow, red) connected by thin, semi-transparent lines of corresponding colors. The dots are scattered across the middle of the image, with lines connecting them in a web-like pattern. Some lines are straight, while others are curved, creating a sense of movement or flow.
